STATE OF GEORGIA

STANDING ORDER REGARDING USE OF ARTIFICIAL INTELLIGENCE AND
CERTIFICATION OF CITATIONS IN BRIEFS AND PROPOSED ORDERS

This Standing Order governs the use of artificial intelligence ("AI") tools in the preparation of all briefs, proposed orders, and other written submissions filed in this Court's criminal and civil dockets, and it applies to all attorneys and to all parties proceeding without counsel (*pro se* litigants):

Certification:

Any attorney or *pro se* litigant who uses AI to draft, or aid in the preparation of drafting, a filed document shall disclose such use in the document with the following certification:

This document was generated with the assistance of [identify AI tool(s) used, e.g., Chat GPT, Perplexity, Claude, etc.].

I hereby certify that every citation to law, case, statute, or the record in this document has been verified as accurate and that it stands for the proposition cited.

The above must appear at the end of the filed document, before the signature block.

Compliance:

Failure to comply with this Order may result in the Court taking appropriate action, including, without limitation, striking the filing, imposing sanctions and fines, or disciplinary referral. Mistake, lack of technical expertise, or time constraints will not be accepted as good faith excuses for noncompliance. The use of AI does not relieve any attorney or *pro se* litigant of their ethical obligations and/or professional obligations (such as Georgia Rules of Professional Conduct 1.1 and 3.1).

This Order is effective immediately and applies to all filed documents submitted after the date of entry.

SO ORDERED this 9th day of September, 2026.
